In the Lifeguard Training course the participant will learn about the duties and responsibilities of a lifeguard and how to carry them out in a professional manner. They will also learn a number of lifeguarding techniques, such as surveillance; how to use rescue equipment for a distressed swimmer, active drowning victim, and passive drowning victim; and how to care for someone who may have a head, neck, or back injury.

Successful course completion requires participation in classroom and skill sessions, as well as successful performance in skill and knowledge evaluations. Due to the nature of the skills in this course, you will be participating in strenuous activities, such as performing cardiopulmonary resuscitation (CPR) on the floor and removing someone from the water. If you have a medical condition or disability or if you have any questions about your ability to participate fully in this course, discuss them with your physician or health-care provider and the instructor responsible for your course before you start the course.

No refund will be issued for cancellations made less than 7 days prior to the start of class. A request for a refund that is made 7 days prior to the start of class will be assessed a \$25 processing fee. Participants who fail to meet the course prerequisites will be offered a chance to take another class offered at another time, **or** request a refund for the amount you paid minus the \$25 processing fee and the \$50 supply fee. Refunds may take 2-3 weeks. A person who fails to meet the course prerequisites on the second try will not be issued a refund. No refund will be issued if a participant does not pass the course or does not attend any portion of the course.

Most classes that are conducted over one or two weekends will be taught at multiple locations. It is not the responsibility of Lifeguards Unlimited, Inc. or its representatives to transport the participant between locations, nor do we take any responsibility for supervision of the class during a scheduled lunch or dinner break. Please make arrangements for the participant to be transported between locations.
